

Part 1: Fill out your copy of the [Contract Grade Tracking Spreadsheet \(Links to an external site.\)](#) for the appropriate grade contract (remember to please create your own copy of the spreadsheet, not to attempt to fill out the main copy at the link). Fill out your grades *as they are evaluated on Canvas*.

Add any additional considerations in point form: did you change contract? Do you therefore have arrangements with me about how we'll redistribute your grades given the change in your contract? I'll have these records as well to double check.

Part 2: Write a paragraph of 200-300 words reflecting on your learning this term. What are your accomplishments? You can think about accomplishments in terms of personal, intellectual, or skills-based growth.
